

BUILDING GOOD CREDIT AND IMPROVING YOUR CREDIT SCORE

Your credit score is important. In this seminar, we will motivate and reassure participants with low credit scores that there are ways to make it better. We will explain how the FICO system works, what you should and should not do, and how you can improve your credit score.

LIVING OFF YOUR PAYCHECK

This seminar supplies common sense, no-nonsense advice for making ends meet as well as reviewing goal setting and how your money beliefs can affect the way you save and spend. We will discuss how to reduce debt, learn the difference between "meat and gravy" and consider how to increase your wealth.

MIND OVER MONEY

This class examines your personal history with money and how money effects emotions. This includes healthy vs. unhealthy attitudes and best practices in dealing with money decisions.
