Elder Studies: *Coming of Age*

A three week course that explores aging as growth and evolution. We will look at current issues impacting our elder populations.

Instructor: Gary Gonser

Week 1

An elder perspective and major contributions to our world

Week 2

Aging in place; ageism and social health; local support services

Week 3

Lifelong learning and interaction; ESCOM history and mission

July 8, 15, 22 @ 2:00 pm
