Approve Minutes

- Minutes approved

GRC

- Gabby will ask ASCOM if template (approved by Yolanda) for student certificates, is good to go
- Tonya Hersch visited to discuss GRIT, Jon Eldridge stopped by as well. Both were here with Meg Pasquel for around 15 minutes at the end of the meeting. Tonya cleared up for GRC that that the former PGS Student Access and Success Committee and then adding Basic Skills(BSI committee) is what actually forms GRIT PGS.

Moving Forward

- Shawn was not here so Yolanda will email him about the climate survey and help with the wording and update that with the GRC admin to put down on paper
- GRC asked that GRIT think about changing their name, to something more appropriate and positive AND Yolanda will send an email to President Coon stating that we stand by the letter that was sent to the President about GRIT previously, stating that we feel GRIT is too exclusive on their selection of committee members
- GRIT has not posted agendas or minutes on their PGS page and yet they state they have been running since November of 2018
