Agenda

- Agenda approved for the current meeting.

Review Analysis for English Department Program Review

- Committee chair reviewed the final draft of the English Department Program review. Final comments were offered by the Committee. The final draft was approved to be sent forward to the Department Chairs and PRAC.

Program Review for the Philosophy Department

- The Committee read through and discussed the Philosophy Department Review, noting concerns and issues.
- The Committee noted that Philosophy Department Program Review relied on referencing the English Department Program review rather than creating a unique Program Review for the Philosophy Department. There was agreement that Philosophy should focus on their discipline and not rely on the English Department Program Review.
- Committee brainstormed recommendations that would be appropriate for Philosophy, keeping in mind the unique issues that the Philosophy Department faces because of the small department size.
- The Committee's comments were collected, Committee chair will send out the Philosophy GRIT analysis draft by email for comment and review and the Committee will engage in final review at the next meeting, prior to sending it forward.

Meeting Adjourned

- The Meeting was adjourned.
