Agenda

- Agenda approved for the current meeting

Review Analysis of Biology Dept. Program Review

- The Committee read through and discussed the draft of the GRIT analysis of the Biology Department Program review. Final comments were collected by Committee Chair. The final draft was approved to be sent forward to the Department Chair and PRAC Chairs.

Program Review for the Geography Department

- Committee read through and discussed the Geography Department Program Review using the lens of the GRIT template. Included in the GRIT analysis was a commendation for the Geography Department's proposal to decolonize their curriculum.

Program Review for the Geology Department

- Committee read through and discussed the Geology Department Program Review, noting equity issues as well as promising practices and commendations. Concerns the Committee noted included the lack of enrollment data in the Program Review and the lower enrollment rates for LatinX students as seen in the PRIE data. The Committee also noted that Geology Department Program review was only partially completed.

Meeting was adjourned
