Student Equity Plan Transfer and Attainment: Transfer, Career and Counseling

- Committee chair briefly reviewed the history of the Student Equity plan and its implementation.
- The focus of this meeting was SEP activities that address inequity within Transfer and Attainment with representatives of the Transfer, Career and Counseling departments. The Career Programs coordinator was unable to attend due to a scheduling conflict.
- The Transfer Center coordinator presented a general overview of Transfer Center outreach activities. Committee, Counseling and Transfer representatives discussed both the status of current activities and those still in the proposal or development stages. Highlights of current successes included Transfer Center's development of a list of over 100 institutions that offer full financial aid for undocumented students and the beginning of a list of institutions that have an especially queer friendly environment.

Review Analysis of Program Review for Machine and Metals

- GRIT working group analysis of Program Review for Machine and Metals was reviewed, discussed and approved by the Committee.

Review Analysis of Program Review for Court Reporting

- Court Reporting Program Review analysis was held over to the next GRIT meeting.
