Agenda

- Agenda approved for the current meeting.

Guest: Chair of Career Education, Ron Palmer, to discuss Electronics

- Ron Palmer, Electronics Department Chair was invited to provide guidance on the Electronics Program and their Program Review. He gave a summary history of the program, reflected on its future and provided clarity about the Program's current status.

Review Analysis of Program Review for Communications Department

- The Committee returned to the Analysis of Communications Department Program Review. The Committee engaged in further discussion of the Program review. Additional comments were collected and the final draft will be distributed to the Committee via email for their consideration and approval.

Analysis of Program Review for Electronics Department

- The Committee returned to the Electronics Program Review. Committee read through and discussed the Electronics Department Program Review, using the GRIT Program Review Analysis template. The Committee's primary concerning issue was the gender inequity within the program. The Committee noted promising practices and commendations including departmental support for diverse student learning styles and zero cost learning.
- Chair will bring the draft of the Electronics Dept. Program Review Analysis to the next Committee meeting for final review.

Begin Analysis of Program Review for Multimedia Studies

- Analysis of the Multimedia Studies Department Program review was held over to the next GRIT meeting.
