

College of Marin

Health & Safety Committee

May 27th, 2025

Agenda:

1. Roll call
2. Membership updates
 - a. ASCOM student membership
 - i. Emily Cardwell was introduced as a member of the committee, representing ASCOM
 - b. SEIU 2nd member
 - i. Jeffery Marcum was introduced as a member of the committee representing SEIU.
3. Safety Suggestion Box submission reviews
 - a. Reviewed Safety Suggestion Box Submissions including discussions on AED locations/guidance and how to more effectively promote the locations of AEDS on campus through different mediums.
 - b. Conversation on IVC building 27 elevator door unlocking issue. Due to staff shortages, the elevator is not unlocked on Mondays and Tuesdays.
 - c. Discussion on lighting and what the process looks like when installing a new light pole. Lighting issues regarding KTD lot 16 were discussed. It was mentioned that better landscaping will lead to overall better lighting on the lot. There is an ongoing project to enhance and update lighting district wide.
4. Open floor for committee members to raise any health & safety concerns or suggestions etc.
5. Adjournment
