Convocation Planning

- After past meetings and conversations with Jonathan Eldridge it is proposed to have a speaker centered around AI in Higher Education
- It was proposed by Dr. Eldridge to highlight some faculty and staff using AI before the speaker begins
- Suggestion to have a survey or poll active around convocation on how people are using AI
- Committee presented caution around AI topic and emphasized the importance of presenting equity concerns around AI
- Action: Dr. Eldridge, Stacey Lince, and others would bring forward possible speakers for the committee to review
- Provide the speaker with guidelines about what we want included in presentation

### FLEX Session Proposal

- Insert direct line calling for proposals around accessibility and Title 2
- Remove bullet on honoring College of Marin's past

### Committee Review

- The committee is asked to review committee work by the GRC
- It is suggested to send out the questions in the form of a survey so members can answer anonymously and then compile the information together to create the report
