- **Minutes** – Approved

- **Professional Learning Survey Review** – Cara will incorporate some changes/edits suggested by the committee and send to Connie to set up in Survey Monkey. This includes clarifying tech offerings, adding “other” to questions, and Cara will connect w/ Stacey to clarify language around Remote instruction / DE instruction / Universal Design.

- **Staff Appreciation Lunch** – Webinar scheduled for May 13th starting at 12:40pm. The program will include a welcome by PLC, DWC and the program will be presented by the Senates including the awards and DWC will facilitate retiree recognition. Cara and Shook will work on a digital format Thank You card for staff to send to each other.

- **Classified Professional Learning Event** – May spread this out over the month of June instead of a week in late June/early July. From feedback that is being heard from Classified leadership, this should be held sooner rather than later. Difficult to find a week that works for all workloads, so spread over a month. Many of the same workshops that were slated for the original CPLD will be held. Wellness committee will be holding some workshops including some from Anthem EAP and the American Heart Association. Added “Connection” to March theme to be: Cultivating Care, Empathy, and Connection.”

- **August 2020 FLEX Week** – Possible theme is “Cultivating Care, Empathy, Connection, and Inspiration.” Should assume online event for now. Flex Proposal form will be going out soon for workshops tailored for online presentation.

Next PLC meeting is May 15, 2020
