FLEX Request for Proposals: deadline is May 23 for proposals. we will review at May 24th meeting. Strongest theme that emerged is “Moving forward Together”

Professional Learning Survey: Any additional questions for survey? What are the goals for the survey? it is a requirement for ACCJC. Beth reviews looking for feedback and planning purposes. also review evaluations in ProLearning for workshop quality. Maybe add a question about COVID and adapting and reopening/returning to campus. Suggested that we switch question order, community building question first then narrow it down to more specific questions. Further review of survey will be done.

Fall 2021 Convocation Planning: Propose inviting Ali Michaels to the Tuesday session with Dept Chairs and invite Androtti (Roses in Concrete) to the convocation in August, invite Dr Powell in January. Mr Androtti charges \$9,500 for a one-hour virtual presentation! This is not possible for us. Ali Michaels offers sliding scale, might be around \$2,000, but she is not available on the convocation date. Danila will check on availability of Dr. Powell's for August convocation.

Faculty/Staff Appreciation Lunch: Plans are still in the works.
