

PRAC Minutes
May 14, 2024

- **Media Production Room - Clarification**

- Confirm that there are funds set aside for the creation of the Media Production Room
 - RA Brown Fund does not allow for construction or renovation
 - Meg received an email from Jonathan that we do have funds and will ask for clarification on what the fund is.
 - Eresa will check into district funds (Capital Project funding?)
- Still needs to go through the PRAC process; this will affect other asks.

- **Kinesiology - Prioritization**

- Athletic Trainer - High
 - Could we do a part time athletic trainer or two?
 - 10 or 11 month employee who will meet the need appropriately?
- Vans - Refer to IEC
 - Funded by Measure B, but we can't sell them back.
 - Eresa will determine if and how COM can sell them.
 - Refer this to IEC.
- Uniforms - Medium
 - Medium priority
 - Not a safety issue

- **Nursing - More information needed**

- Would like to see how many units the Assistant Director already has.
- How many faculty oversight do we have?
- What is diversity like?

- **Enrollment Services - Prioritization**

- High priority for both admins.
- Could wait a year to get full FT and share for this year with Educational Success Programs and Outreach/Welcome Center.

- **EMH Symposium - More information needed**

- More information needed on how this was funded in prior years and what resources are supporting this event.
