Agenda

The Agenda for this meeting was approved.

Guided Pathways Self-Assessment

Tonya Hersch and Gina Cullen provided an overview of the Guided Pathways framework, expectations of the Chancellor's Office, and steps taken at COM to date. They also discussed the self-assessment tool, which is due to the Chancellor in December.

College Hour Update & Feedback

Alexandra Magallanes and Ishmail Azam provided an overview of the College Hour Task Force's recommendations. PRAC provided some feedback, which related to coordination, master schedule, lab exceptions. PRAC will discuss again at the 12/12/17 meeting and make a recommendation on how to proceed.

Program Review Revision - Latest Draft

Jonathan shared the process and feedback to date on the program review template revision. PRAC discussed the timing and frequency, suggesting that a six-year cycle would allow for more useful data collection and analysis. This feedback will go next to Academic Senate for their review.
