Charge for Parking Task Force - How to Solicit Participation

One of the recommendations PRAC made to the President for the 2019/2020 fiscal year was to review present parking permit policies with regard to revenue possibilities and student equity. The President approved PRAC's recommendation. An ad hoc committee will be established to review the issue and provide feedback to PRAC. Highlights of planning discussion:

Composition of ad hoc committee:

- Group should be student-heavy – ASCOM, ESCOM
- All employee constituencies – Classified (CSEA, SEIU, Unrepresented), Faculty (PT, FT)
 - Meg to talk to CPLC and Academic Senate
 - Need to include “off-schedule” employees
 - Car-poolers and those who drive longer distances

Data they will need:

- Current information on who is paying
- Snap-shot of peak usage times
- Number of parking spaces
- Where revenue goes
- Comparative data from other colleges

Charge:

- How to make parking fees more equitable
- Reach out to all constituencies and report information back to PRAC
