## Math and Sciences

PRESENTER:
CAROL HERNANDEZ, Ed.D.

## College of Marin's Mission

College of Marin's commitment to educational excellence is rooted in providing equitable opportunities and fostering success for all members of our diverse community by offering:
$>$ preparation for transfer to four-year colleges and universities
>associate degrees and certificates
>career technical education
$>$ basic skills improvement
$>$ English as a second language
$>$ lifelong learning
$>$ community and cultural enrichment
College of Marin responds to community needs by offering student-centered programs and services in a supportive, innovative learning environment that promotes social and environmental responsibility.

## Opportunity

>The United States STEM workforce does not reflect the United States working age demographics.
$>$ It is estimated that about 55\% of Latin@ students and 50\% of African American student who attain a STEM Bachelor's or Master's degree attended a community college at some point (Bradley, 2011).

## Major Initiatives/Changes/PR Focus Areas

1. AB 705
2. Model UN
3. AAUW/Super STEM Saturday
4. Western Regional HAPS (Human Anatomy Physiology Society) conference 10/20/18
5. Engineering 110 at Terra Linda Spring 2018
6. Revitalize the Natural History Certificate

## Planning Agenda

$>$ Connection to Strategic Plan
> Initiative \#1 supports Strategic Objective SA2.1: Decrease time to degree by at least one year for the first cohort of the three-year strategic plan.
>Initiative \#5 supports Strategic Objective SA5.1: Increase dual enrollment of high school students by 15 percentage points per year during the three years of this plan.
>Strategic Objective SS4.1: Increase percentage of students advancing from pre-college level course to college level courses by 2018.

## What is AB705?

-AB 705 requires community college districts to maximize the probability that a student will enter and complete transfer-level coursework in math and English within a one-year timeframe by utilizing assessment measures that include high school performance to achieve this goal.

## Model UN

$>$ Student led club that meets several times every week in preparation for Model UN Conferences
-Students role-play UN diplomats representing a particular country so they have to know their country assignments extremely well.
$>$ Model UN Far West is the main conference: At this conference COM students will represent China and Mexico!

PFunding comes from ASCOM as well as from the students own fundraising
$>$ The MUN club also puts on other events such as film shows, debates, and presentations.

- This April the MUN club will be sponsoring a showing of a documentary about the Chinese Exclusion Act in cooperation with the Rotary Club of SF Chinatown and the Center for Asian American Media.
$\Rightarrow$ MUN conferences and club participation is also

coordinated most years with the class Politics 210, War, Peace and the United Nations.

## Summary

## $\checkmark$ Main Takeaways

$\checkmark$ What we do: We offer various degrees and transfer pathways
$\checkmark$ Where we are headed: Continuing to strengthen our community and high school partnerships in an effort to create a stronger pipeline of diverse students.
$\checkmark$ What we need to get there: Continued support through the allocation of resources
$\checkmark$ Top Priorities:
$\checkmark$ Increase the number of Degrees and Transfers
$\checkmark$ Decrease time to degree and transfer
