Aligns with equity goals (EQ 1, 2)

Possible

keynote:

Rick

Williamson

Post-Pandemic Burnout (employees & students) / 🙎

caring for each other

Could be covered in other Flex sessions

Covered at Equity in Mental Health Symposium Often is pushed out for other "flashier" topics and more comfortable topics

> We are not okay and students are not okay after pandemid

We need skilled facilitation to identify employee needs ("make COM good place to work")

May not connect with all

employees

Hard to find a keynote speaker who connects to everyone on Al
