#	Responses	Date
1	Members on this committee really strive to be part of "a solution" by demonstrating true concern for making good decisions.	5/11/2012 9:46 AM
2	My attendance was spotty. My work deadlines interfered with attendance and once I was on vacation.	5/7/2012 2:57 PM
3	PRAC meetings chaired by Ken were less than stellar...less got done; little focus.	5/6/2012 9:40 PM
4	Great work group! Excellent leadership by faculty co-chair!!!	5/4/2012 3:02 PM
5	The leadership on this committee was wonderful! We moved through a lot of content very efficiently--Plenty of time was spent considering important issues. All members made very valuable contributions to the work.	5/4/2012 2:59 PM
6	We hired a Consultant to help us and Ann Marie talked to major number of administrators, faculty staff and students. It was gratifying to see the school in a manner being taken in a sense to "the same page"	5/4/2012 2:19 PM
7	In order for participatory governance to work, all constituencies must be allowed to provide input, by building into the process assurances that this happens.	5/4/2012 10:39 AM
8	The work from PRAC is very challenging but rewarding. Sara did a fantastic job on chairing PRAC despite the co-chair was changing often. The work from PRAC gets done and done in such way feeling satisfied and rewarded. The product may not be perfect but all members have their hands/heads on it. Thanks!	5/4/2012 10:06 AM
9	This is a good example of a well-organized, effective PGS committee which constantly strives to make improvements for the good of the College.	5/4/2012 9:51 AM
10	The participatory governance system is essential to the college's success. It allows for different perspectives and ideas to be brought to the table. This committee is wonderful to be a part of as it allowed me to better understand perspectives from the perspective of students, faculty, community education, and the administration; as well as bring the perspective of classified professionals.	5/4/2012 9:48 AM
11	Matt and Kathleen ran the meetings with great professionalism.	5/3/2012 9:39 PM
12	I am very satisfied with the process; however, I wish that College Council can generate more discussion and then making decisions rather than just nodding our heads.	5/3/2012 9:33 PM
