Some of the questions raised by the EPC include giving departments a chance to weigh in on their efforts in regards to students reaching milestones and making academic progress. It was noted that it will be critical in the new budget environment created by COVID 19 that departments are able to demonstrate their successes. There must also be some flexibility in defining “academic progress.”
8. **IVC Goal 3:** EPC agrees with rating of No Progress. Due to COVID 19 and the transition to online learning increasing student access at IVC is stalled.
